# CHAIRMAN'S MESSAGE

**F**inancial Year 2023 (FY 2023) saw India continue its growth trajectory of development with the objective of becoming a USD 5 trillion economy. Towards this objective, the role of Pradhan Mantri Mudra Yojana (PMMY) and Micro Units Development & Refinance Agency Limited (MUDRA) ensures that the bottom of the pyramid is not left out and equally contributes to the process of nation building and wealth creation. In the last 8 years since the launch of PMMY, MUDRA loan has emerged as the preferred option for all the constituents in the unorganised and unfunded segment to embark on their own individual mission of livelihood and growth and thus participate in the collective objective of development. During the last 8 years, we have seen MUDRA loans slowly transforming the semi-urban, rural and hinterlands of our country. MUDRA, in establishing and strengthening the formal credit channels for nurturing the green shoots at the grass root level, has come to become a brand synonymous with empowerment and hope.

The 8 years journey of MUDRA has had a positive impact at the ground level and has the potential to be scaled up significantly since there is ample opportunity to make a difference at the last mile. In the year gone by i.e., FY 2022-23, has expanded the reach of MUDRA, with new product while achieving milestones for the institution in the process.

## THE YEAR GONE BY

The previous year was a year of consolidation for most of the intermediaries post the pandemic, especially the smaller ones who were affected the most. It also saw hardening of the interest rates driven by synchronised tightening of the monetary policy across the world. This to some extent may have impacted the pace of consolidation for the intermediaries especially, the smaller MFIs/NBFCs.

However, the concessional refinance available out of the Priority Sector Shortfall fund from MUDRA ensured that many Banks, NBFCs and MFIs catering to the small borrowers continue their lending to the unorganised segment uninterrupted. The understanding and empathy of our Member Lending Institutions partners for their end-customers has ensured that the liquidity is channelled to MUDRA segment irrespective of the MUDRA refinance which is evident from the 35% growth in PMMY during the year across MLIs.

During FY 2022-23, under PMMY, total amount of ₹4.56 lakh crore was sanctioned (Disbursement of ₹4.50 lakh crore) in 6.23 crore loan accounts, which has helped in extending the much needed financial support to the poor entrepreneurs who are mostly from the weaker sections of the society, viz. SC/ST/OBC/Women in large numbers. The Banks, NBFCs and MFIs which have catered to the micro-

enterprise & small business segment under PMMY have yet again proven themselves as champions in sustaining the livelihoods and enterprise at the base of the economy.

MUDRA continues to provide refinance support to such Banks, NBFCs and MFIs against their loans under the PMMY, thereby contributing to affordability of borrowing for the segment and lowering the lending cost of the sector.

During FY 2021-22, MUDRA sanctioned ₹15,623 crores and disbursed ₹15,253 crores. In FY 2022-23, while public sector banks continued to be the main partners in channelling MUDRA loans, the focus was also to enter into new partnerships with MFIs/ NBFCs, Small Finance Banks (SFBs) and Regional Rural Banks (RRBs) to reach out to the target segments, so as to reach out to maximum intermediaries. MUDRA also used its own capital fund for deployment. As a result, the trend in growth witnessed in the previous year has continued. The total sanctions to Banks, SFBs and RRBs which increased from ₹11,557 crore (16 entities) in FY 2020-2021 to ₹12,441 crore (17 entities) in FY 2021-2022 and saw FY-2023 end with ₹10,173 crore (20 Entities). In the NBFC and MFI segments, the sanction stands at ₹675 crore and ₹973 crore in FY 2023 as against ₹2,090 crore and ₹1,025 crore in FY 2022 respectively. The sanction under PTCs has increased to ₹427 crore in FY 2023 from ₹67 crore in FY 2022. It is important to note that this performance is against backdrop of ₹ 10,000 crore PSS fund allocation in FY 2022-23 as against ₹15,000 crore drawn in FY 2021-22.

Taking Banks, SFBs and RRBs alone into account, there is an increase of about 5% in outstanding as on March 31, 2023 vis-à-vis the previous year. The number of NBFCs and MFIs assisted (including PTC portfolio) by MUDRA during the year was 24 (entity disbursed) taking the number to 44 as on March 31, 2023. MUDRA also strived to provide liquidity to NBFCs/MFIs by subscribing to their Pass Through Certificates (PTCs). A total of 7 such deals were fructified aggregating ₹427 crore during the year which has been a noteworthy achievement considering the product has been launched in later half of FY 2021-22.

The year gone by has also seen MUDRA achieving a few financial milestones in terms of portfolio and balance sheet size, income, profit etc. where it has surpassed all previous figures. During the year, the total revenue of MUDRA recorded a substantial increase of 52% on account of Northward movement in the rates of interest as well as the fact that maximum disbursement took place in the last quarter of FY 2022. This has resulted in the revenue going up from ₹1,014.58 crore in FY 2021-22 to ₹1,537.20 crore in FY 2022-23. The Net Profit recorded a substantial increase from ₹246.51 crore in FY 2021-22 to ₹577.45 crore in FY 2022-23. This positive development also had a different side where the non-operational income of

MUDRA has overtaken the operational income. However, this is planned to be addressed in the coming financial year through optimal utilisation of funds for operations. Besides, MUDRA has also launched a new scheme where it is expected that the operational income would be increased comparatively to non-operational income.

### LOOKING AHEAD

As stated last year, MUDRA has already consolidated its PTC portfolio which has come on its own this year and has potential and scope to be taken forward. Understanding the significance of technology intervention at the grass root level, a small beginning has been made by partnering with Fintech NBFCs. Recognising the critical role these institutions play in reaching out to the remotest borrower with their products on the strength of technology and innovation, MUDRA plans to take this forward by partnering with similar other entities. Besides the business front, MUDRA would continue to interact with the various stakeholders for on-lending permission, DFI status and other issues.

As per the IMF's World Economic Outlook (WEO) released in April 2023, global growth for 2023 at 2.8 per cent is likely to be followed by the medium-term growth plateauing at 3.0 per cent. However, India continued to be a silver lining with the real GDP growth projected at 6.50% for FY 2023-24. Hence, the coming year may see the continuation of the growth momentum in the backdrop of opportunities from global supply chain realignment which the country with its resonant corporate sector and robust financial sector backed by fiscal policy thrust on quality government expenditure is well placed to tap.

MUDRA and PMMY initiatives have shown that bottom most segment can grow and contribute on its own in a self-sustaining manner with necessary formal credit support from institutions. In the last 8 years of its existence, MUDRA has strived and worked to create entrepreneurs at the grass root level. This needs to be taken to newer/ higher level with involvement of all the stakeholders including the private sector. There is huge market for small loans to the underserved segments which needs to be tapped. MUDRA would continue to play its role towards this end.

At the end, I would like to thank all the stakeholders, including Small Industries Development Bank of India, Ministry of Finance and Reserve Bank of India and partner MLIs for their continuous support and feedback in our journey and to "Team MUDRA" for successfully meeting the challenges with their committed and dedicated work.

# Eight Years of Pradhan Mantri Mudra Yojana

Cumulative Outreach to **41.16 crore** MSE Borrower Accounts with Credit Support of **₹ 22.89 lakh crore**

Empowering Women with **68.62%** Loan Accounts belonging to Women Beneficiaries.

Addressing the Credit Needs of Weaker Sections with **50.80%** of the Loan Accounts belonging to SC/ST/OBC

Pradhan Mantri Mudra Yojana (PMMY), the Flagship Programme of the Prime Minister aimed at Funding the Unfunded micro enterprises and small businesses, completed 8 years of its operations, extending a cumulative amount of ₹ 22.89 lakh crore under the programme to 41.16 crore loan accounts, primarily benefitting the borrowers of weaker sections of the society.

The Lending Institutions, which include all the Public Sector Banks, Private Sector Banks, Regional Rural Banks, Small Finance Banks, Micro-Finance Institutions (MFIs) and Non-Banking Financial Companies (NBFCs), together have exceeded the annual targets set out by the Government of India under PMMY every year.

## PMMY: Target vs Achievement

(Amt. in ₹ lakh crore)

Note:-The data indicates targets & achievements pertaining to sanction figures for FY 2015-16 to 2021-22, whereas the data for FY 2022-23 is pertaining to disbursement figures.

During these eight years, Micro Units Development & Refinancing Agency Ltd. (MUDRA), as a support institution, has played a dual role by extending refinance support to various lending institutions and monitoring the progress of implementation of PMMY closely through a dedicated portal which captures various aggregated data pertaining to the scheme PMMY as per the requirements of the Govt. of India.

## PMMY during 2022-23

### Agency wise Achievement

The target set by the Government of India for disbursements under PMMY for the year 2022-2023 was ₹ 4.40 lakh crore which was distributed across various lending institutions viz banks, MFIs and NBFCs based on their outreach and presence in various parts of the country. The category-wise performance against their overall targets for the year 2022-23 is as follows:

**Table 1: Institution wise performance**

(₹ crore)

Category	Target	Disbursed Amount FY 2022-23	Disbursed Amount FY 2021-2022	Growth

### Bank Type wise Target Vs Achievement

The achievement data indicates 36% increase over the previous year in the overall performance of the programme implemented by all the lending institutions. This is mainly due to the increased volume of disbursements done in FY 2022-23 by the NBFC-MFI, SFBs & Private Sector Banks.

However, there is a sizeable growth in respect of disbursements of Public Sector Banks and NBFCs.

Among the Public Sector Banks, State Bank of India (SBI), with disbursement of ₹ 35,601.64 crore to 15.40 lakh loan accounts topped the table. SBI was followed by Punjab National Bank and Canara Bank with a disbursement figure of ₹ 20,370.70 crore and ₹ 19,147.82 crore respectively.

The Private Sector Banks recorded improvement in performance with

a disbursement of ₹ 1,41,116 crore during the year, registering 20% growth over the previous year. The major contributors in the private sector banks category were IndusInd Bank and Bandhan Bank with ₹ 40,543 crore and ₹ 40,386 crore of disbursement respectively.

MFIs disbursed a total loan amount of ₹ 66,830.62 crore to 155.81 lakh loan accounts. Grameen Koota Financial Services Private Limited was the leading MFI with a disbursed amount of ₹11,123.89 crore in more than 22.62 lakh loan accounts.

NBFCs have also emerged contributor to the PMMY with a total disbursement of ₹ 33,061.27 crore. In this category, Shri Ram Transport Finance Company Limited has been the highest contributor with a total sanction amount of ₹ 14,500 crore.

Small Finance Banks achieved 132% of their target. During the year, the 9 SFBs disbursed a total amount of ₹ 38,297 crore to 69.63 lakh loan accounts. Ujjivan Small Finance Bank was on top of the table among SFBs, with a disbursed amount of ₹ 12,486 crore to 20.46 lakh loan accounts.

### State wise Performance

While the Institution wise targets were assigned by the Govt. of India, the same were further sub-allocated state-wise by the respective lending institutions based on their network and potential to lend. The state level performance is being monitored by the respective SLBCs of the states. Of all the states, Uttar Pradesh topped with sanction of ₹ 47,427.26 crore, followed by Bihar with ₹ 45,448.59 crore and Tamil Nadu stood at third position with ₹ 43,730.39 crore.

**Table 2: Performance of top 10 states**

9	Odisha	21,505.13	16,557.27
10	Gujarat	17,507.49	11,990.04

### District wise performance

District wise performance under the scheme was also captured on the PMMY Portal. Except a few lending institutions, almost all have reported their data of district-wise performance.

A few agencies which could not provide district-wise break up have entered their data in the "Other" districts under the respective states. The top 10 districts under PMMY performance are given in the table below:

**Table 3: District wise performance**

Sr. No.	District Name	FY 2022-23		
		No of A/Cs	Disbursement Amt (₹ crore)	Share in the Total amount disbursed
1	Bangalore urban	4,33,082	5,287.90	1.17%
2	Murshidabad	6,57,973	3,933.01	0.87%

		<b>41,12,579</b>	<b>33,864.12</b>	<b>7.52%</b>

These 10 districts formed 7.52% share in the total disbursements during FY 2022-23. Better performance of these districts was due to them being mostly urban centres with large potential of small business activities and presence of large number of financial outlets to serve them.

### Regional analysis

The region wise achievements divided into five regions based on their geography and the distribution of PMMY loans sanctioned during the year has been analysed and given below:

**Assistance to less privileged sections**

PMMY, since its implementation, has focussed on providing incremental funding support to the weaker sections of the society. The share of sub-categories of borrowers like SC, ST, OBC, Women and Minorities under different categories of PMMY loans was analysed and details of the same are given below.

**Table 5: Sub - categories of borrowers: Sanctions (FY 2022-23)**

Note: Figure in parenthesis indicate the share in percentage.

Out of the total amount disbursed, 47.74% went to the women borrowers. 52.67% of the accounts in Shishu category belonged to women who were disbursed 24.92% of the amount in the Shishu category. The reason for high share of women in Shishu category is lending of micro-loans by the MFIs primarily to women.

The share of the weaker section (SC/ST/OBCs) borrowers of the society in the PMMY programme was 50.48% in terms of loan accounts, and 36.41% in terms of loan amount disbursed. The shares of SC, ST and OBC category borrowers were 10.50%, 3.84% and 22.07%, respectively, in terms of the number of loans disbursed.

**PERCENTAGE SHARE OF TOTAL NUMBER OF ACCOUNTS IN GENERAL, SC, ST & OBC**

The borrowers from Minorities category accounted for 12.06% in terms of number of accounts and 10.06% in terms of amount disbursed in FY 2022-23 under PMMY.

### Average loan size

The average size of loans extended under PMMY in different categories of loan is analysed and given below:

FY	Amount Disbursed (₹ in crore)		No. of loan accounts		Average loan size (₹)	
	2021-22	2022-23	2021-22	2022-23	2021-22	2022-23
TOTAL	3,31,402.20	4,50,423.66	5,37,95,526	6,23,10,598	61,604.04	72,286.85

The average loan size under PMMY during FY 2022-23 increased to ₹ 72,286.85 as against ₹ 61,604.04 in the previous year.

This shows the increasing share of Kishore and the Tarun Borrowers in PMMY.

### Mudra Card

To enable the MSE borrowers to effectively avail the working capital funds at reasonable and affordable cost, a debit card on RuPay platform named Mudra Card has been issued to PMMY borrowers by various lending institutions. During FY 2022-23, 1.71 lakh Mudra cards have been issued for an amount of ₹ 4,402.61 crore.

Since the cards issued during one year are usable in the next years also, the number of cards reported relate to only the new cards issued during the FY 2022-23. However, the cumulative number of Mudra Cards including the existing cards in use are more than 20 lakh.

### Interest Subvention Scheme for Shishu Loans under Pradhan Mantri Mudra Yojana

Under the Aatmanirbhar Bharat Package to mitigate the impact of Covid 19, GOI had launched "Interest Subvention Scheme for MUDRA – Shishu loans" wherein SIDBI was the implementing agency for an interest subvention of 2% provided to all MUDRA - Shishu loan payees. Total claims of ₹636.90 crore were settled as on September 30, 2022 towards loans sanctioned to the Shishu loan beneficiaries of 104 lending institutions.

### Conclusion

Pradhan Mantri Mudra Yojana (PMMY) continues to serve millions of unfunded micro-borrowers in the country with loans much needed for their business activities resulting in upliftment of their lives.

The PMMY programme, during the last eight years, has benefitted 41.16 crore loan accounts with a disbursement of ₹ 22.89 lakh crore. Thus, enabling the grass-root economy of the country to contribute in a bigger way to the overall economic growth of the nation.

**MUDRA Overall Operations - Outstanding Year-wise**

**Pradhan Mantri Mudra Yojana (PMMY)**

The Pradhan Mantri Mudra Yojana (PMMY) envisages providing MUDRA loans up to ₹10 lakh by Banks, NBFCs, and MFIs for income-generating micro/small enterprises engaged in the manufacturing, trading, and services sectors.

An overdraft amount of ₹10,000 sanctioned under Pradhan Mantri Jan Dhan Yojana (PMJDY) is also classified as a MUDRA loan under PMMY.

**MUDRA loans are classified into three categories:**

- Shishu for loan up to ₹ 50,000
- Kishor for the loan above ₹ 50,000 up to ₹ 5 lakh, and
- Tarun for the loan above ₹ 5 lakh up to ₹ 10 lakh

The names signify the stage of growth/development of the micro-enterprises and their funding needs.

**Monitoring of PMMY**

MUDRA has developed a MUDRA PMMY portal to capture data on lending by various agencies and submitting its report to the GoI with granular information such as type of loan, type of borrowers, and their details agency-wise, state-wise, and district-wise etc. The Department of Financial Services (DFS), GoI, and MUDRA reviews progress of PMMY regularly.

**PRADHAN MANTRI MUDRA YOJANA (PMMY) DURING FY 2022-23**

More than 6.23 crore MSME Loan accounts were benefitted through PMMY during the year. A snapshot of various categories of beneficiaries is presented in Table 2.

The high percentage of women in terms of the number of accounts is mainly due to the high share of Micro Finance Institutions in Shishu loans, where women Borrowers mostly make up the clientele.

The share of special categories of borrowers – SC, ST, OBC, women, and minority – under different schemes of PMMY continues to be significant in FY 2022-23.

The share of women borrowers stands at 71.03% by the number of accounts and 47.74% by disbursement amount in FY 2022-23.

The participation of the under-privileged sections (SC, ST & OBCs) of the society in the PMMY program was 50.48% in terms of the number of loan accounts, and 36.41% in terms of the loan amount disbursed. The share of SC, ST,

and OBC categories were 10.50%, 3.84%, and 22.07%, respectively, in terms of the number of loan accounts disbursed in FY 2022-23.

The Minority category of borrowers accounted for 12.06%, in terms of the number of accounts and amount in FY 2022-23.

New entrepreneur loan accounts stood at 16.16% of total loan accounts in FY 2022-23, and 28.73% of the total disbursed amount. Nearly One crore new entrepreneur loan accounts were disbursed loan under PMMY during the year, compared with 65 lakhs in FY 2021-2022, registering a growth of 53.85%.

The MUDRA Yojana has thus continued helping fulfil the aspirations of many MSE entrepreneurs who were otherwise outside the ambit of the formal banking system and is addressing the issue of 'funding the unfunded' to a large extent.

### **PARTICIPATION IN SECTORAL EVENTS**

Your Company sponsored a programme under Promotion and Development (P&D) initiative for branding of MUDRA in FY 2022-23 under the aegis of Hindustan Media Limited (HT media Ltd.) for organizing the Mint MSME Summit on 08<sup>th</sup> February 2023 at New Delhi.

This was an in-person event that brought together Industry leaders, economists, experts from Microfinance Industry, MSME Owners, and policy makers to explore the challenges and opportunities for state to revitalize the economy and become self- reliant.

This event allowed MUDRA to leverage upon HT's brand equity amongst esteemed stakeholders and generate awareness about MUDRA and its Schemes.

# INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF Micro Units Development and Refinance Agency Limited

## Report on the Audit of the Financial Statements Opinion

We have audited the accompanying financial statements of Micro Units Development and Refinance Agency Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

## Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

## Key Audit Matter

Key audit matter are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr No	Key Audit Matter	Auditor's Response
1.	<p>Recognition and measurement of impairment on loans and advances involve significant management judgement. With the applicability of IND AS 109, credit loss assessment is now based on expected credit loss (ECL) model.</p> <p>The impairment allowance is derived from estimates including the historical default and loss ratios.</p> <p>Management exercises judgement in determining the quantum of loss based on a range of factors. The most significant areas are:</p> <ul style="list-style-type: none"> <li>Segmentation of loan book;</li> <li>Loan staging criteria;</li> <li>Calculation of probability of default / Loss given default;</li> <li>Consideration of probability weighted scenarios and forward looking macro- economic factors.</li> <li>Compliance of disclosures with the applicable accounting standards</li> </ul>	<p>In view of the significance of the matter, the following audit procedures were applied in this area, among others to obtain sufficient appropriate audit evidence: Design / controls</p> <ul style="list-style-type: none"> <li>Evaluated the appropriateness of the impairment principles based on the requirements of IND AS 109</li> <li>Assessed the design and implementation of key internal financial controls over loan impairment process used to calculate the impairment charge.</li> <li>Tested management review controls over measurement of impairment allowances and disclosures in financial statements. Substantives tests</li> <li>Focus was placed on appropriate application of accounting principles, validating completeness and accuracy of the data and reasonableness of assumptions used in the model.</li> <li>Test of details over calculation of impairment allowance for assessing the completeness, accuracy and relevance of data</li> </ul>

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our

opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In our opinion and according to the information and explanation given to us, the managerial remuneration paid by the company during the year, is in compliance with respect to section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigation which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds

- or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has declared and paid dividend during the year in compliance with section 123 of the Act.
3. As required by the revised directions under Section 143(5) and of the Act, we report that:
- i) The Company has system in place to process all the accounting transaction through IT System. There are no accounting transactions processed outside IT system during the year.
  - ii) There are no cases of restructuring of any existing loans taken or cases of waiver/ write off of debts/Loans/interest etc. made by lender to the Company during the year due to Company's inability to repay the loans taken. For the cases where the loan given is not repaid the Company has made necessary provision as per the regulation and applicable accounting standard.
  - iii) The entity has not received any funds (grants/ subsidy etc.) for specific schemes from Central / State Government or its agencies during the year.
  - iv) RBI provided a window (vide circular dated 6 August 2020) under the prudential framework to implement a resolution plan to borrowers having stress on account of Covid 19, as per which existing loans can be restructured without downgrading the asset classification. As per the information received from the management, there were no loans which were restructured during the year in the window provided during COVID 19 by RBI in terms of above mentioned circular.

# ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

**(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of Micro Units Development and Refinance Agency Limited on the Ind AS financial statements for the year ended March 31, 2023)**

Based on the audit procedures performed for the purpose of reporting a true and fair view on the Ind AS financial statements of the Company and to the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. (a) (A) The Company is maintaining proper records showing full particulars including quantitative details and situation of Property, plant and equipment.
  - (B) The company is maintaining proper records showing full particulars of intangible assets.
- (b) The Property, plant and equipment were physically verified during the year by the management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the property, plant and equipment at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed during such verification.
- (c) There is no immovable property in the name of the company, hence reporting under clause (i)(c) of the paragraph 3 is not applicable.
- (d) The company has not revalued its property, plant and equipment (including right of use assets) and intangible assets during the year. Hence, reporting under clause (i)(d) of the paragraph 3 is not applicable.
- (e) As represented by the Management, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The Company does not have any inventory and hence reporting under clause (ii)(a) of the paragraph 3 of the Order is not applicable.
- (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause (ii)(b) of the paragraph 3 of the Order is not applicable.
- iii. The Company has not made any investments in companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, hence reporting under clause (iii)(b) of the paragraph 3 of the Order is not applicable.
 

Further, the Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties but has provided loans

  - (a) Since the company is registered NBFC whose principal business is to give loans, the clause (iii) (a) and (e) of the paragraph 3 is not applicable to the company.
  - (b) In our opinion, the investments made during the year are, prima facie, not prejudicial to the Company's interest. As represented by the Management, the Company has not granted any loans and advances in the nature of loans or provided any guarantee during the year to anyone.
  - (c) In respect of loan granted, the schedule of repayment of principal and payment of interest has been stipulated. As per the information given to us and based on the verification carried out, we opine that the repayment of principal and interest is generally regular.
  - (d) In respect of the Loans, the total amount overdue for more than 90 days as at March 31, 2023. The clause (iii)(d) of the paragraph 3 is not applicable to the company.
  - (e) The company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment. Hence, reporting under clause (iii)(f) of the paragraph 3 is not applicable.
- iv. The Company has not given any loan to directors and the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted,

- investments made and guarantees and securities provided, are not applicable. Hence, reporting under clause (iv) of the paragraph 3 of the Order is not applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits, as per the directives issued by Reserve Bank of India and the provisions of the section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules made thereunder. Hence, reporting under clause (v) of the paragraph 3 of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the paragraph 3 of the Order is not applicable to the Company.
- vii. In respect of statutory dues:
- (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
- There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, goods and services tax, customs or excise duty or value added tax which have not been deposited on account of any dispute.
- viii. As represented by the Management, there were no transactions which were previously not recorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) The Company has not defaulted any loans or other borrowings from any lender. Hence reporting under clause (ix)(a) of the paragraph 3 of the Order is not applicable.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the paragraph 3 of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, there are no funds raised on short- term basis which have been utilized for long term purpose. Hence, reporting under clause (ix)(d) of the paragraph 3 of the Order is not applicable.
- (e) The Company does not have any subsidiary, joint venture or associate. Hence, reporting on clause (ix)(e) and (f) of the paragraph 3 of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence, reporting under clause (x)(a) of the paragraph 3 of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence, reporting under clause (x)(b) of the paragraph 3 of the Order is not applicable.
- xi. (a) As represented by the Management, there was fraud reported on the Company during the year which has been shown under Note 69 in the financial statement.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) Establishment of vigil mechanism is not mandated for the Company as required under section 177 of the Act. As represented to us by the management, there are no whistle blower complaints received by the Company during the year under the vigil mechanism established by the parent company for the Group.
- xii. The Company is not a Nidhi Company and hence, reporting under clause (xii) of the paragraph 3 of the Order is not applicable.
- xiii. Transactions with the related parties are in compliance with section 188 of the Act, where applicable, and

- the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause (xiii) of the paragraph 3 of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors as per the provisions of section 192 of the Companies Act, 2013. Hence, reporting under clause (xv) of the paragraph 3 of the Order is not applicable to the Company.
- xvi. (a) According to the information and explanation given to us, the Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the Certificate of registration under section 45-IA of the Reserve Bank of India Act, 1934 vide COR No. N-13.02124 dated 28th July. 2016.
- (b) According to the information given to us, the company is conducting Non Banking Finance activities and has a valid certificate of registration issued by Reserve Bank of India.
- (c) The company is not a core investment company as defined in the regulations made by the Reserve bank of India, hence reporting under clause (xvi) (c) of the paragraph 3 is not applicable.
- (d) As informed to us, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause (xvi)(d) of the paragraph 3 of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year. Hence, reporting under clause (xvii) of the paragraph 3 of the Order is not applicable to the Company
- xviii. During the year there was no resignation of the previous Auditors. Hence reporting under clause (xviii) of the paragraph 3 of the Order is not applicable to the company.
- xix. On the basis of the financial ratios refer note 43, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Hence, reporting under clause (xx)(a) of the paragraph 3 of the Order is not applicable for the year to the Company.
- (b) There are no unspent amounts towards Corporate Social Responsibility (CSR) on any ongoing projects requiring a transfer to a special account in compliance with sub-section (6) of Section 135 of the said Act. Hence, reporting under clause (xx)(b) of the paragraph 3 of the Order is not applicable for the year to the Company.

# ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

**(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of Micro Units Development and Refinance Agency Limited on the Ind AS financial statements for the year ended March 31, 2022)**

## **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")**

We have audited the internal financial controls over financial reporting of **Micro Units Development and Refinance Agency Limited** (the "Company") as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

### **Management's Responsibility for Internal Financial Controls**

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur

and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

These amendments shall be applicable from annual reporting periods beginning on or after April 01, 2023.

## 3. Significant Accounting Policies

### 3.1 Revenue Recognition

#### Recognition & Measurement:

Revenue is recognised when the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the entity. Revenue shall be measured at the fair value of the consideration received or receivable.

### 3.1.1 Interest Income:

Interest income for all financial instruments except for those measured or designated as at FVTPL are recognised in the profit or loss account using the effective interest method (EIR). Interest on financial instruments measured as at FVTPL is included within the fair value movement during the period.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses (ECLs)).

EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the expected cash flows are estimated by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Administrative fee income on Interest Subvention Scheme is accounted for on accrual basis as percentage of work completed. Administrative fee income on IMEF is recognised as per the contract.

## 3.2 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

### Current tax

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

### Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the entity expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the entity has a legally enforceable right for such setoff.

MAT Credits are in the form of unused tax credits that are carried forward by the entity for a specified period of time; hence it is grouped with Deferred Tax Asset.

### Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that

are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### 3.3 Employee Benefits:

#### Recognition & Measurement:

The liabilities for compensated absences are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the statement of profit and loss.

#### Post-employment obligations:

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity and pension obligations
- (b) Defined contribution plans such as superannuation scheme, provident fund.

#### Gratuity:

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined

benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income.

#### Defined Contribution plans

Defined Contribution Plans such as superannuation scheme, provident fund are charged to the statement of profit and loss as an expense, when an employee renders the related services. If the contribution payable to scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset.

Currently, there are no employee which are on payroll of the Company except five employees which are on contract basis for which post-employment benefits are not applicable.

### 3.4 Property, Plant and Equipment

#### Recognition and Measurement:

Property, plant and equipment shall be recognised as an asset if it is probable that future economic benefits flow to the entity and cost can be reliably measured. Freehold land is carried at historical cost. All other items of property, plant and equipment are measured at historical cost less depreciation and impairment loss. Historical cost includes expenditure directly attributable to the acquisition of the items. Cost includes its purchase price including non-refundable taxes and duties after deducting trade discounts/rebates, directly attributable costs of bringing the asset to its present location and condition and initial estimate of costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will

flow to the Company and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

### Depreciation methods, estimated useful life and residual value

Depreciation on property, plant & equipment has been provided on straight line method based on the useful life specified in Schedule II of the Companies Act, 2013 except where management estimate of useful life is different. Depreciation commences when the assets are ready for their intended use.

Assets costing ₹ 5,000/- or less have been depreciated over period of one year.

Useful life considered for calculation of depreciation for various classes of assets are as follows-

Asset Class	Useful Life
Office Equipment	5 years
Computer-hardware	3 years
Electrical Installations	10 years

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other income or other expenses, as applicable.

### 3.5 Intangible Assets

Intangible assets that are acquired by the Company, which have finite useful lives, are measured at cost less accumulated amortisation and accumulated impairment losses. Cost includes expenditures that are directly attributable to the acquisition of the intangible asset.

### Amortisation:

Intangible assets are amortised on straight line basis over the estimated useful life. The method of amortisation and useful life is reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

Useful life considered for amortisation of intangible assets for various classes of assets are as follows-

Asset Class	Useful Life
Computer software	3 years

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

### 3.6 Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use. Other borrowing costs are expensed in the period in which they are incurred. Transaction costs relating to borrowings are considered under effective interest rate method.

### 3.7 Impairment of non-financial assets:

The Entity need to assess at the end of each reporting period whether there is any impairment indication for all the assets. If the asset is impaired then the entity need to estimate the recoverable amount of the asset. Impairment loss is recognised when the recoverable amount of an asset is less than its carrying amount. The difference between the recoverable amount and the carrying amount is recognised as impairment loss in Statement of Profit & Loss A/c.

If there is indication of impairment then recoverable amount shall be estimated for each individual asset and if it is not possible to estimate the recoverable amount for each individual asset an entity shall determine the recoverable amount of the cash-generating unit to which the asset belongs.

### 3.8 Provisions and Contingencies

#### Provisions

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A provision for onerous contracts is recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

#### Contingent Liabilities & Contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognised because it cannot be

measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

Contingent assets are not recognized in the financial statements. If the inflow of economic benefits is probable, then it is disclosed in the financial statements.

Provisions, Contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

### 3.9 Cash & cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, demand deposits with entities, corporate deposits and other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### 3.10 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### 3.10.1 Financial assets

##### (i) Classification, recognition and measurement:

Financial assets are recognized when the entity becomes a party to the contractual provisions of the instrument.

The entity classifies its financial assets in the following measurement categories:

- a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and whether the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the entity has made an irrevocable election at the time of initial recognition to account

for the equity investment at fair value through other comprehensive income.

**Initial Recognition:**

All financial assets are recognised initially at fair value and for those instruments that are not subsequently measured at FVTPL, plus/minus transaction costs that are attributable to the acquisition of the financial assets.

**Subsequent measurement:**

Type of Instruments	Classification	Rationale for Classification	Subsequent measurement
Debt instruments	Amortized cost	Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest on principal amount outstanding are measured at amortised cost.	Amortized cost is calculated using Effective Interest Rate (EIR) method, taking into account interest income, transaction cost and discount or premium on acquisition. EIR amortization is included in finance Income. Any gain and loss on derecognition of the financial instrument measured at amortised cost recognised in profit and loss account.
	Fair value through other comprehensive income (FVOCI)	Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest on principal amount outstanding, are measured at FVOCI.	Changes in carrying value of such instruments are recorded in OCI except for impairment losses, interest income (including transaction cost and discounts or premium on amortization) and foreign exchange gain/loss which is recognized in income statement.  Interest income, transaction cost and discount or premium on acquisition are recognized in to income statement (finance income) using effective interest rate method.  On derecognition of the financial assets measured at FVOCI, the cumulative gain or loss previously recognized in OCI is classified from Equity to Profit and Loss account in other gain and loss head.
	Fair value through profit or loss (FVTPL)	Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain and loss on a debt instrument that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss in the period in which arise.	Change in fair value of such assets are recorded in income statement as other gains/ (losses) in the period in which it arises.  Interest income from these financial assets is included in the finance income.

Type of Instruments	Classification	Rationale for Classification	Subsequent measurement
Equity instruments	FVOCI	The Entity's management has made an irrevocable election at the time of initial recognition to account for the equity investment (On an instrument by instrument basis) at fair value through other comprehensive income. This election is not permitted if the equity investment is held for trading. The classification is made on initial recognition and is irrevocable.	Change in fair value of such instrument are recorded in OCI.  On disposal of such instruments, no amount is reclassified to income statement.  Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.  Dividend income from such instruments are however recorded in income statement.
	FVTPL	When no such election is made, the equity instruments are measured at FVTPL	Change in fair value of such assets are recorded in income statement.

### (ii) De-recognition of financial assets:

A financial asset is derecognised only when

- the Entity has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Entity has transferred an asset, the Entity evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Entity has not retained control of the financial asset. Where the Entity retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

### (iii) Foreign exchange gain or losses:

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange difference are recognised in profit or loss except for those which are designated as hedging instruments in the hedging relationship.

Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in other comprehensive income.

For the purpose of recognising foreign exchange gain and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income.

### 3.10.2 Financial liabilities and equity instruments:

Debt and equity instruments issued by an entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

#### Classification, recognition and measurement:

##### (a) Equity Instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Entity are recognised at the proceeds received, net of direct issue costs.

##### (b) Financial liabilities:

Initial recognition and measurement:

Financial liabilities are initially recognised at fair value plus any transaction that are attributable to the acquisition of the financial

liabilities except financial liabilities at FVTPL which are initially measured at fair value.

**Subsequent measurement:**

The financial liabilities are classified for subsequent measurement into following categories:

- at amortised cost
- at fair value through profit or loss (FVTPL)

**(i) Financial liabilities at amortised cost:**

Amortised cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount.

**(ii) Financial liabilities at fair value through profit or loss:**

Financial liabilities held for trading are measured at FVTPL.

Financial liabilities at FVTPL are stated at fair value with any gains or losses arising on remeasurement, recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability.

**Derecognition:**

A financial liability is removed from the balance sheet when the obligation is discharged, or is cancelled, or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

**(c) Financial guarantees contracts :**

Financial guarantee contracts issued by the Entity are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

**3.10.3 Impairment of financial assets:**

In accordance with Ind AS 109, Entity applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets carried at amortised cost e.g., advances, debt securities, deposits and entity balance
- Financial assets that are debt instruments and are measured as at FVTOCI
- Loan commitments which are not measured as at FVTPL, financial guarantee contracts which are not measured as at FVTPL

ECL is the difference between all contractual cash flows that are due to the entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

The impairment methodology applied depends on whether there has been a significant increase in credit risk. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due. Entity considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk, the entity compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition.

It considers available reasonable and supportive forwarding-looking information. Especially the following indicators are incorporated:

- Internal credit rating
- External credit rating (as far as available)
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations
- Actual or expected significant changes in the operating results of the borrower
- Significant increase in credit risk on other financial instruments of the same borrower
- Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements
- Significant changes in the expected performance and behaviour of the borrower, including changes in the payment status of borrowers in the group and changes in the operating results of the borrower.

A loss allowance at an amount equal to 12-month expected credit losses is recognised, if the credit risk at the reporting date has not increased significantly since initial recognition (Stage 1). This amount represents the expected credit losses resulting from default events that are possible within the next 12 months. The interest revenue is calculated on the gross carrying amount for financial assets in Stage 1.

Credit losses over the remaining life of the financial assets ('lifetime expected losses') are recognised which are considered to have experienced a significant increase in credit risk (Stage 2) and for financial assets that are credit impaired at the reporting date (Stage 3). The lifetime expected credit losses represent all possible default events over the expected life of a financial instrument. Financial assets will be transferred to Stage 2 if 30 days past due. The interest revenue is calculated on the gross carrying amount for financial assets in Stage 2.

As the primary definition for credit impaired financial assets moving to Stage 3, the entity considers the following definition of default.

- the borrower is past due more than 90 days on any material credit obligation to the entity

- the borrower is unlikely to pay its credit obligations to the Group in full.

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

- significant financial difficulty of the borrower or issuer
- a breach of contract such as a default or past due event
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider
- the disappearance of an active market for a security because of financial difficulties
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

Credit impaired assets will include defaulted assets as well as other non-defaulted assets given the definition of credit impaired is broader than the definition of default.

Interest revenues are calculated on the net carrying amount for credit-impaired financial assets only.

Forward-looking information, including macro-economic factors must be taken into account to measure the expected credit losses.

Macroeconomic information (such as regulatory changes, market interest rate or growth rates) is incorporated as part of the internal rating model.

Key concepts and management judgements:

- Determining a significant increase in credit risk since initial recognition
  - Forward-looking information
  - Definition of default and credit impaired assets
  - Expected life
  - Modelling techniques
- Purchased or originated credit-impaired (POCI) financial assets

POCI financial assets are credit-impaired since initial recognition. For such assets, the entity recognises a loss allowance equal to lifetime ECL since initial

recognition with any changes recognised in profit or loss. A favourable change for such assets creates an impairment gain.

### 3.11 Fair value measurement:

The Entity measures financial instruments, such as, certain investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Entity.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

### 3.12 Derivative financial instruments

Derivative financial instruments such as forward contracts are taken by the Company to hedge its foreign currency risks, are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair

value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise (other than in case of hedge accounting).

### 3.13 Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Entity or the counterparty.

### 3.14 Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operational decision maker monitors the operating results of its business Segments separately for the purpose of making decision about the resources allocation and performance assessment. Segment performance is evaluated based on the profit or loss and is measured consistently with profit or loss in the financial statements. The operating segments have been identified on the basis of the nature of products/ services.

### 3.15 Dividend

Final dividend is recognised in the Statement of Profit & Loss A/c on approval of shareholders. Interim dividend is recorded as a liability on the date of declaration of the Entity's Board of Directors

### 3.16 Earnings per share:

#### Basic earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year.

#### Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

### 3.17 Significant accounting estimates, judgements and assumptions:

The preparation of the Entity's financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised and in any future year affected.

In the process of applying the Entity's accounting policies, management has made the following judgements which have significant effect on the amounts recognised in the financial statements:

- Useful lives of property, plant and equipment:** Determination of the estimated useful life of tangible assets and the assessment as to which components of the cost may be capitalised. Useful life of tangible assets is based on the life specified in Schedule II of the Companies Act, 2013 and also as per management estimate for certain category of assets. Assumption also needs to be made, when Entity assesses, whether as asset may be capitalised and which components of the cost of the assets may be capitalised.
- Defined benefit plan:** The cost of the defined benefit gratuity obligation is determined using actuarial valuations. An

actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

- Allowances for uncollected accounts receivable and advances:** Impairment is made on the expected credit loss model, which are the present value of the cash shortfall over the expected life of the financial assets. The impairment provisions for financial assets are based on assumption about the risk of default and expected loss rates. Judgement in making these assumptions and selecting the inputs to the impairment calculation are based on past history, existing market condition as well as forward looking estimates at the end of each reporting period.
- Contingencies:** Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigation against Entity as it is not possible to predict the outcome of pending matters with accuracy.

### 3.18 Prudential Norms:

The Company continues to be registered as a Non-Banking Financial Institution (NBFI) classified as a Loan Company and is therefore required to follow the Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007 for its NBFC activities for Systemically Important Non-Deposit Taking Companies.

Non-performing assets are provided for as per management estimates, subject to the minimum provision as per Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007.

## (ii) General Reserve

Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then compulsory transfer to General reserve at a specified rate was obligatory. Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies Act, 2013.

## 37 Capital Management

The primary objective of the Company's capital management is to ensure that it maintains an efficient capital structure and maximize shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions, annual operating plans and long term and other strategic investment plans. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders or issue new shares. The Company is not subject to any externally imposed capital requirements. No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2023 and March 31, 2022. The Company monitors capital using a ratio of 'adjusted net debt' to 'equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings less cash and cash equivalents. Equity comprises all components of equity including share premium and all other equity reserves attributable to the equity share holders. The Company's adjusted net debt to equity ratio is as follows.

## 37.1 Regulatory capital

"As per RBI, NBFCs are required to maintain a minimum capital to risk weighted assets ratio ("CRAR") consisting of Tier I and Tier II capital of 15% of its aggregate risk weighted assets. Further, the total of Tier II capital cannot exceed 100% of Tier I capital at any point of time. The capital management process of the Company ensures to maintain the minimum CRAR at all the times.

The primary objectives of the Company's capital management policy are to ensure that the Company complies with capital requirements required by regulator, maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value. The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities."

## B. Measurement of fair value

The following methods and assumptions were used to estimate the fair values:

- a. The carrying amounts of cash equivalent including other current bank balances, other receivables and other financial liabilities including trade and other payables, etc. are considered to be the same as their fair values, due to current and short term nature of such balances.
- b. Financial instruments with fixed interest rates are evaluated by the company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances if required, are taken to account for expected losses of these instruments. Thus, Amortised cost shown in A, above, is after adjusting ECL amount.
- c. These are classified as Level 3 fair value hierarchy due to inclusion of unobservable inputs including counter party credit risk.

## C. Fair Value Hierarchy

The fair value of financial instruments as referred to above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

**Level 1 :** Level 1 hierarchy includes financial instruments measured using unadjusted quoted prices in active markets that the Company has the ability to access for the identical assets or liabilities. A financial instrument is classified as a Level 1 measurement if it is listed on an exchange. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued at the closing NAV. Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

**Level 2:** The fair value of financial instruments that are not traded in active markets is determined using valuation techniques which maximize the use of observable market data either directly or indirectly, such as quoted prices for similar assets and liabilities in active markets, for substantially the full term of the financial instrument but do not qualify as Level 1 inputs. If all significant inputs required to fair value an instrument are observable the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based in observable market data, the instruments is included in level 3. That is, Level 3 inputs incorporate market participants' assumptions about risk and the risk premium required by market participants in order to bear that risk. The Company develops Level 3 inputs based on the best information available in the circumstances.

## 43 Financial Risk Management

The company has in place comprehensive risk management policy in order to identify measure, monitor and mitigate various risks pertaining to its business. Along with the risk management policy, an adequate internal control system, commensurate to the size and complexity of its business, is maintained to align with the philosophy of the company. Together they help in achieving the business goals and objectives consistent with the company's strategies to prevent inconsistencies and gaps between its policies and practices. The Board of Directors/committees reviews the adequacy and effectiveness of the risk management policy and internal control system. The company's financial risk management is an integral part of how to plan and execute its business strategies.

# Notes to Financial Statements

for the year ended March 31, 2023

The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

The Company's activities expose it to a variety of risks namely:

- Credit risk
- Liquidity risk and
- Market risk

## (A) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's loan, investment and other financial assets. The carrying amounts of financial assets represent the maximum credit risk exposure.

### i. Loans and financial assets measured at amortized cost

An impairment analysis is performed at each reporting date.

Impairment loss has been calculated based on Exposure at Default (EAD)\* Probability of Default (PDs)\* Loss given Default (LGDs).

Internal rating model incorporates both qualitative and quantitative information and, in addition to information specific to the borrower, utilise supplemental external information that could affect the borrower's behaviour.

**Probability of Default (PDs):** As there is no past trend available with the company for its own portfolio for calculation of probability of default, the Company has taken rating based PD's from its holding company's risk assessment model for Stage 1 and Stage 2 based on ratings. In cases where ratings are not available, PDs are taken same as parent company/sponsoring company. PDs are then adjusted for Ind AS 109 ECL calculations to incorporate forward looking information and the Ind AS 109 Stage classification of the exposure. For the purpose of Stage 3, PDs are taken as 100%.

**Loss given Default (LGDs):** For the purpose of LGD calculation, the Company does not have its own default and recovery history. Hence, In case of Secured loan portfolio, LGD has been considered based on Minimum LGD prescribed in risk assessment model of holding Company based on security type of loan portfolio. Currently, all loan portfolio are secured by receivables and LGD has been taken as 50% for the same. While considering LGD 50%, collateral security held by MUDRA (lien Marked in favour of MUDRA on the FDR) is factored for. For the purpose of Stage 3, LGD is considered at 100%. In case of unsecured investments, LGD is considered at 100%, since there is no past history of recovery available and forward looking information of no circumstances of recovery in future based on current position of such investee companies.

## iii. Others

Apart from loans and fixed deposits measured at amortised cost the company has no other financial assets which carries any significant credit risk.

## (B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Asset Liability Management Committee (ALCO) of the Company defines

## (C) Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The company's exposure to, and management of, these risks is explained below.

### (i) Foreign currency risk

The Company caters mainly to the Indian Market. Most of the transactions are denominated in the company's functional currency i.e. Rupees. Hence the Company is not exposed to Foreign Currency Risk.

### (ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cashflows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligation at floating interest rates. The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

# Notes to Financial Statements

for the year ended March 31, 2023

## Exposure to Interest rate risk

The interest rate profile of the Company's interest bearing financials instruments as reported to the management of the Company is as follows:

(₹ in lakhs)

Particulars	As at March 31, 2023	As at March 31, 2022
Fixed-rate instruments		
Financial Liabilities		
Borrowings	35,13,655.66	29,97,274.68

Fixed Deposits	16,88,321.26	13,03,996.60
Total net	(18,25,334.40)	(16,93,278.07)

## Fair value sensitivity analysis for fixed-rate instruments

The Company's fixed rate instruments are carried at amortised cost and are not measured for interest rate risk, as neither the carrying amount nor the future cash flows will fluctuate because of changes in market interest rates.

### (iii) Price Risk

The company's exposure to mutual fund price risk arises from investments held by the company and classified in the balance sheet at fair value through profit or loss. Since the mutual fund are highly liquid debt oriented funds company does not have a material price risk exposure.

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF MICRO UNITS DEVELOPMENT & REFINANCE AGENCY LIMITED (MUDRA) FOR THE YEAR ENDED 31 MARCH 2023**

The preparation of financial statements of MICRO UNITS DEVELOPMENT & REFINANCE AGENCY LIMITED (MUDRA) for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 01 June 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of MICRO UNITS DEVELOPMENT & REFINANCE AGENCY LIMITED (MUDRA) for the year ended 31 March 2023 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to the statutory auditors' report under section 143(6)(b) of the Act.
